### **PERMISSION TO REPRODUCE MEDALS**

- Any reproduction of medals (high resolution files) from the Œnologues de France contests on the bottle or wine label wine or winning product can only be done upon receipt of the **authorization** from the Œnologues de France and reproduction rights regulations (application to be submitted by email to the address dedicated for the competition).
- The medal should always be accompanied by the specific mention of the name of the award-winning wine or product, its vintage, the name of the producer and the trademark declared to the Œnologues de France during registration.
- The medal can only be applied on a wine or product whose trademark was declared to the Œnologues de France:
  - If it was not declared at registration, the process can be performed after the competition in question accompanied by a sworn statement indicating the name of the wine and its lot number.
  - The new trademark must be reserved exclusively for medalled wine or product (same lot number).
  - Only the producer who completed the registration may request the addition or modification of the trademark, by sending the request by email to the address dedicated to the contest.
  - The new brand will be used only if the Œnologues de France accept its addition or modification (email confirmation).
- **The number of medals (Stickers or high definition digital file) that can be ordered by an award winning producer is defined by the number of bottles or lot volume declared when completing the contest entry.** The volume in hl is automatically converted according to the main format container recorded at registration.
- Stickers packaged to a minimum 1000 \* by reel, the award-winning **producer is committed to using only the amount corresponding to that declared at registration.**
- In the case of integration of the medal on the award-winning wine or product label, the **style guidelines** must be observed. The "Ready to print" must first be validated by the Œnologues de France.

### **If you are a third party and have purchased medalled wine or products from an award-winning producer**

Download the order form (available in PDF on each competition site) and then proceed to ordering your stickers or digital files to integrate with labels specifying the nature and details of the producer from whom you bought the medalled wine or product. Provide the purchase contract along with your order; it must clearly mention the volume acquired.

\* Note: For Les Olivalies® only, the base price and the minimum order quantity is 500 units, stickers are packaged as a reel of 500.

**USE DELAY**

- **The use of medals for wines and products is authorized** until the winning lot has been used-up.
- **The use of the medals on commercial media** (Brochures, flyers, billboards, website, TV spots, etc.) is not limited in time.

**MARKETING OF MEDALS OBTAINED**

To enhance the value of medals, Œnologues de France suggest:

- The sale of stickers affixed to bottles (Ø : 30 mm)
- The integration of the medal in digital format on labels
- The integration of the medal in digital format in commercial media

The practicalities of these uses are explained below.

**STICKERS PURCHASE**

- The stickers are printed on sticker paper, only by Œnologues de France.
- Their diameter is 30 mm. They are arranged side by side on a reel, the inside diameter of the mandrel is 76mm.
- Stickers reels are available in multiples of 1000 or 5000 stickers only \*.
- The reel ribbon is paper by default.
- You must specify in the order the winding direction of stickers on the reel.
- For special order (PET tape, larger reels, meaning specification of winding direction, etc.), make your request by email to the address dedicated to the contest.

Orders can be made **online on our website** (Shop tab of your account), sent by **email** or **mail**. For more information, visit the General Conditions of stickers sales.

After **verification and validation** by the Œnologues de France of the proof of payment, your order is prepared for shipping, according to the deadlines and conditions specified in the General Conditions of stickers sales.

\* Note: For Les Olivalies® only, the base price and the minimum order quantity is 500 units, stickers are packaged as a reel of 500.

**INTEGRATING THE MEDAL IN WINES OR PRODUCTS LABELS**

Any printing of a label incorporating the medal of one of our contests must **first obtain authorization from the Œnologues de France**.

**1. Print authorization request from the Œnologues de France**

Orders can be made **online on our website** (Shop tab of your account), sent by **email** or **mail**. For more information, visit the General Conditions of stickers sales.

After **verification and validation** by the Œnologues de France of the proof of payment, your printer receives by email the technical file of the medal in high definition (HD) and the style guidelines to be followed.

**Note: "Ready to print" colored model must always be sent by email to the dedicated contest address for its approval before printing. It must include the number of labels planned for printing.**

**2. Validation by the Œnologues de France**

- The Œnologues de France are monitoring compliance with the Style guidelines and medals quota available based on the volume reported at the time of registration.
- The Œnologues de France shall notify of the print validation to the applicant and / or printer by email as soon as possible.
- All printing must first have received this validation. Your printer can therefore produce the labels after receiving the email confirmation from the Œnologues de France.

**INTEGRATION OF THE MEDAL IN COMMUNICATION MEDIA**

Reproduction of stickers on **communication media** (the company's general communication board, posters, corporate film) is not subject to copyright. The use of these digital files must:

- Comply with the provisions described in the rules of each contest.
- Use the source files medals as JPEG or PNG format.
- Always refer to the specific mention of the name of the award-winning wine or product, its vintage, the producer's name and trademark.
- Respect the limits of use of the **medal communication media only**.

The digital files of each medal for this communication are sent to all the winners and can be requested by email to the dedicated contest address. Using these digital files for integration with a label or to develop a medallion sticker by another printer is fraud and would be prosecuted.
